

SureFire, QuickFire & RapidFire Jackpots FAQs

Q: What are the SureFire Jackpots?

A: The RapidFire, QuickFire, and SureFire Jackpots are random, progressive jackpots exclusive to Gold Strike Casino Resort.

Q: How do the SureFire Jackpots work?

A: The RapidFire Jackpot starts at \$500 and must hit by \$1,000. The QuickFire Jackpot starts at \$5,000 and must hit by \$10,000. The SureFire Jackpot starts at \$150,000 and must hit by \$200,000. These jackpots will randomly hit on any slot machine of any denomination at any time.

Q: Do I need a Players Club card to win?

A: YES, you need to be actively playing on your own MGM MIRAGE® Players Club card to win the jackpot. Your card must be properly inserted into the bezel of the slot machine to win.

Q: Do I need a winning combination on the slot machine to win?

A: NO, the jackpot is randomly generated and is not dependent on the outcome of the game the guest is playing.

Q: How do I know which slot machines are eligible for the SureFire Jackpots?

A: All slot and video poker machines on the Casino Floor are eligible.

Q: How will I know the current SureFire Jackpot amounts at any time?

A: The amounts of each jackpot are displayed on plasma screen televisions throughout the Casino and Hotel Lobby. The amounts are also displayed on the screens of the slot machines.

Q: How will I know if I win a SureFire Jackpot?

A: The winner will be notified by the screen on the slot machine. The game (machine) will also lock up and go into Jackpot mode.

Q: How will I be paid if I win a SureFire Jackpot?

A: The jackpots are paid in *FREE PLAY*®, either on the player's existing Players Club account or on a new players card based on the type of jackpot won. The *FREE PLAY* will be valid for 60 days.
